- *This is when a Student requests their Semester to be changed to another Semester ie. Sem 1 to Sem 2 (within the same Academic year)*
- *This would alter your registration to another Semester and provide you with a longer period of time to complete your assignment.*
- *If you wish to request such an Amendment, please email [hello@asi-wise.org](mailto:hello@asi-wise.org) so that we can provide you with further information.*
- ***Please note:*** *Should you request an Amendment of your Student Record which will cross over into a new Academic year ie.
